

Dear Friend,

Thank you so much for your interest in volunteering at the Pregnancy Care Clinic. We certainly appreciate your interest!

Please find enclosed the following papers:

- a brochure which describes this ministry
- Statement of faith/principle/mission statement for your review
- Volunteer application form to be completed by you and returned to us
- Consent form for a background check
- A reference form for your pastor to complete and mail to us in the prepared envelope

Once we have received all these documents, you will get a call to set up a time to come in and review them and determine when you would be able to begin the self-paced training (or, for men, to begin training with a male mentor) and in what capacity you might be suited for volunteering in.

Female volunteer client advocates work with a mentor client advocate until their training is complete. You would work the same shift each week, usually 3-4 hours. There are always opportunities to answer the 24-hour helpline at your home, also. Male volunteers work on an as-needed basis.

Our client advocate volunteers are the backbone of this ministry. They are invaluable, and without them the Clinic could not exist. They take their commitment to the Clinic very seriously and view their time here as a gift to God. We are thankful for them! Please let us know if you have any questions about the form or about the PCC in general. Taking the training does not obligate you to working as a volunteer client advocate, should the decision be made that perhaps there is another avenue of ministry that might be a better fit for you.

Thank you and May God bless!

In His Service,

A handwritten signature in blue ink that reads "Nancy Wesling".

Please familiarize yourself with the following statements and keep this copy.

STATEMENT OF PRINCIPLE

1. The Pregnancy Care Clinic is an outreach ministry of Jesus Christ through His church. Therefore, the PCC, embodied in its volunteers, is committed to presenting the gospel of our Lord to women with crisis pregnancies –both in word and in deed. Commensurate with this purpose, those who labor as pregnancy care center board members, directors and volunteers are expected to know Christ as their Savior and Lord.
2. The PCC is committed to providing its clients with accurate and complete information about both prenatal development and abortion.
3. The PCC is committed to integrity in dealing with clients, earning their trust and providing promised info and services. The PCC denounces any form of deception in its corporate advertising or individual conversations with its client.
4. The PCC is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women may face the future with hope, and plan constructively for themselves and their babies.
5. The PCC does not discriminate in providing services because of race, creed, color, national origin, age or marital status of its clients.
6. The PCC does not recommend, provide, or refer for abortion or abortifacients.
7. The PCC offers assistance free of charge at all times.
8. The PCC is committed to creating an awareness within the local community of the needs of pregnant women, and of the fact that abortion only compounds human need rather than resolving it.
9. The PCC does not recommend, provide, or refer single women for contraceptives. (Married women seeking contraceptive info should be urged to seek counsel, along with their husbands, from their pastor and physician.)
10. The PCC recognizes the validity of adoption as one alternative to abortion but is not biased toward adoption when compared to the other life-saving alternatives. Clinics are independent of adoption agencies, relating to them in the same manner as to other helpful referral sources. PCCs receive no payment of any kind from these agencies, do not enter into contractual relationships with them, and do not share combined office space. Adoption agencies are not established under the auspices of Clinics. PCCs neither initiate nor facilitate independent adoptions, though they may refer for independent adoptions in states where it is legal.

STATEMENT OF FAITH

1. We believe the bible to be the inspired, the only infallible, authoritative Word of God.
2. We believe that there is one God, eternally existent in three persons; Father, Son and Holy Spirit.
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential, and that this salvation is received through faith in Jesus Christ as Savior and Lord and not as a result of good works.
5. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life and to perform good works.
6. We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
7. We believe in the spiritual unity of believers in our Lord Jesus Christ **(Adapted from the National Association of Evangelical's statement of faith.)**

MISSION STATEMENT

The PCC exists to support and give hope to those experiencing an unplanned pregnancy. Specifically, the PCC will (1) Share the Good News of Jesus Christ; (2) Promote the sanctity of human life through encouraging alternatives to abortion; (3) Educate the community as to a Godly view of sexuality; and (4) Bring healing and wholeness to lives traumatized by abortion.
